Come and enjoy the wonderful taste of the Yakima Valley Regional wines.

This full day host guided tour includes:

A Yellow Church Café boxed lunch,

Opportunities to win raffle items with Wildcat and wine themes.

The Yakima Valley will be filled with wine connoisseurs, art enthusiasts and friends of Wine Yakima Valley club during the month long "Savor the Art of Wine" event. This is a celebration of wine-making and artistry in the Yakima Valley. Many special activities will be taking place at the wineries throughout the month of October.

While at each winery enjoy local artists' works, purchase wine and gift items from around the region and join in conversation with Matt, our host, from Ellensburg WineWorks.

The team will be present for the send off from CWU campus so please take this opportunity to meet the coaches and team members of the CWU Wildcats Women's Basketball team.
